## COMFORT AND STYLE WHEREVER WORK TAKES YOU

From the factory, to the office, to dinner with your family. Florsheim work boots are tough enough for the job site, and look good enough no one will guess that's where you came from. Plus, with the latest safety and comfort technology built into every one of our work boots and shoes, you'll be ready for anything.

ASTM F2413 STEEL MET GUARD F2A

Met protection you can't see:

## THE CUSHGUARD™ METATARSAL GUARD

The Cushguard™ metatarsal guard is designed for comfort and protection. It's concealed, but always working. Cushguard™ flexes and bends with ease, so you won't notice it while walking, but Cushguard's™ EVA foam provides met-guard impact protection against falling objects.

- Multi-Directional Flex
- Ultra-Light, Ultra-Comfortable
- Met-Guard Protection
- Thin Profile for Increased Comfort

## Features & Benefits

### ASTM F2413

#### ASTM F2413

The official standard for safety toe protective footwear in the United States.

### COMP TOE

#### COMPOSITE TOE

A non-metallic rigid polymer protective toe cap, which is light weight and will not conduct heat, cold or electricity. Meets or exceeds the ASTM F2413 standard for protective footwear.

#### STEEL TOE

Non-corrosive protective toe cap. Meets or exceeds the ASTM F2413 standard for protective footwear.

### MET GUARD

#### METATARSAL GUARD

A reinforced layer in the metatarsal portion of the footwear that protects the metatarsal bones by deflecting falling objects and absorbing impact energy. Traditionally used in areas where there is a higher risk of objects falling or rolling onto the metatarsal area of the worker's foot. Meets or exceeds the ASTM F2413 standard for metatarsal protective footwear.

#### THE FOOT FORCE® F2 INSOLE

A soft molded dual density polyurethane removable insole that cushions and cradles your foot, provides additional shock absorbing polyurethane ball and heel pads and a moisture absorbing fabric covering with a TPU heel stabilizer.

#### THE FOOT FORCE® F2A ATHLETIC INSOLE

A soft molded dual density polyurethane removable insole that cushions and cradles your foot, provides additional shock absorbing polyurethane ball and heel pads and a moisture absorbing fabric covering.

#### XTR® BRAND COMPOSITE TOE CAP

The XTR® Brand composite toe cap provides extra toe room and comfort. The XTR® composite toe cap is lightweight and will not conduct heat, cold or electricity. The XTR® Brand composite toe cap meets or exceeds the ASTM F2413 standard for protective footwear.

#### STATIC DISSIPATING

SD footwear allows static electricity to transfer from the wearer to the walking surface, thereby protecting equipment such as sensitive electronic devices from static electric discharge which could damage the equipment.

#### ELECTRICAL HAZARD SAFETY FOOTWEAR

EH footwear provides a source of protection to the wearer from electrical shock in environments where the wearer may accidentally step on a live wire or charged electrical equipment.

#### WATERPROOF

A combination of water-resistant materials and construction which helps protect the foot from getting wet in environments where excess water is present.

#### SLIP RESISTANT

Soles designed to provide a high coefficient of friction with the walking surface to improve slip resistance.

### METAL FREE

Footwear that contains zero metal. 100% metal free. It is ideal for jobs that require working around sensitive metal detectors.

### ABOUT US

Warson Brands\* offers a portfolio of six national brands and over 200 styles of safety footwear for men and women. We have been in the occupational footwear manufacturing business since 1988. We design and engineer footwear for nearly every occupation on the planet. With us, designing and crafting occupational and duty uniform footwear isn't just a sideline, it's our passion, our one and only business.

### OUR MISSION: PERFORMANCE

Our business model is simple: the better our shoes perform, the better our customers perform – from our wholesale and retail customers to our end-users.

### OUR GOAL:

Providing the best customer service, period. We sell occupational footwear all over the world. However, when it comes to customer service, we want to be right next door. Our customer service staff, with a combined experience of over 300 years, knows your business and works hard to earn it every day.
